If these prospects have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the brand new guide, but do not embrace a price on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with completely different costs on each page. Make sure your gross sales copy is exactly the identical on each web page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum price is.

Finally, if you've written a ebook that solves a drawback or presents a brand new approach, your e book will usher in both site visitors and profits.
