Advertising Strategies

The key that unlocks the sales potential of your e book is to discover a single sentence that turns into your selling handle. An effective technique for determining a value is to ship out a survey to your current customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the new book, but do not embrace a price on that page. Instead, add numerous links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with different costs on every page. Make certain your sales copy is strictly the same on each page, and

includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum value is.

Finally, when you've written a e book that solves a drawback or presents a new approach, your e-book will herald both visitors and profits. So make sure to write that promoting-deal with sentence that sums up what drawback your e book solves and what the benefits of your 1081 guide will likely be to the customers who buy it.
