If these clients have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the brand new guide, but don't embrace a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by making a number of duplicate gross sales pages with different costs on each page. Ensure your sales copy is exactly the same on every web page, and

contains your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum value is.

Finally, if you've written a guide that solves a problem or presents a new technique, your guide will herald each traffic and profits. So make sure to write that promoting-handle sentence that sums up what downside your e book solves and what the advantages of your 1136 ebook will probably be to the shoppers who purchase it.
