An effective technique for figuring out a value is to send out a survey to your current customers. If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by creating a sales web page for the brand new e-book, however do not embrace a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Be sure your gross sales copy is strictly the same on every web page, and contains your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum worth is.

Ultimately, in case you've written a e book that solves a problem or presents a brand new technique, your e book will bring in both site visitors and profits.
