Advertising Strategies

The important thing that unlocks the gross sales potential of your book is to discover a single sentence that becomes your selling handle. This sentence states what query or downside your ebook answers and the advantages your e-book can provide. Then be sure you use that sentence in every

piece of sales and promotional material, and each time anyone asks you about your ebook.

An effective technique for determining a value is to ship out a survey to your current customers. If these clients have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the new guide, but don't include a value on that page. As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with different costs on every page. Be sure that your sales copy is strictly the same on each page, and includes your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This may let you know what your optimum price is.

Finally, if you happen to've written a e book that solves a drawback or presents a new technique, your guide will herald both visitors and profits. So be sure to write that selling-handle sentence that sums up what problem your e book solves and what the benefits of your 1168 guide will be to the shoppers who purchase it.
