An effective technique for figuring out a value is to ship out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion by way of price. Do that by creating a gross sales web page for the brand new e-book, but do not embody a value on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Make certain your gross sales copy is precisely the same on each web page, and contains your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum worth is.
