An efficient approach for determining a value is to ship out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion by way of price. Do that by making a gross sales page for the brand new e book, but don't include a value on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with totally different prices on each page. Make sure your gross sales copy is strictly the same on every page, and contains your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum value is.

Ultimately, in case you've written a e book that solves a drawback or presents a brand new technique, your ebook will herald both site visitors and profits.
