page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with different prices on every page. Ensure that your gross sales copy is strictly the same on each page, and consists of your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum price is.

Ultimately, in the event you've written a book that solves a downside or presents a brand new approach, your e-book will bring in both traffic and profits. So be sure you write that promoting-deal with sentence that sums up what downside your ebook solves and what the advantages of your 1354 ebook will probably be to the purchasers who purchase it.
