But the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books which have the power to change, or presumably transform, folks's lives.

What do you think an concept is price when evaluated towards the cost of paper and ink?

It is the IDEAS which are helpful! That's the way you decide the cost of your ebook.

What ought to I cost for my ideas?

Resolve if your objective is to get broad distribution and maximum exposure. This goal is geared toward drawing customers to what you are promoting or service, or to establishing the credibility of your reputation. After you determine your purpose, you have to determine what your viewers's need is on your ebook. For instance, does your guide resolve a particular downside? If it does, and solves it in a means that hasn't been written about in 100 different ebooks, you will be in a position to achieve excessive gross sales at a excessive price. In case your e-book solves an issue or answers questions in a brand new and unique way, it is best to worth your book as excessive as you can go. If you want to see large profits over buyer draw, purpose for an audience that is looking for straightforward options to their issues at a low price. If your e-book is aimed toward fixing one

particular downside fairly than normal advice, then you may cost more. Begin at the highest price the market will bear to bring in the largest income, and plan to discount the e-book a number of instances all through the year.

## Marketing Methods

The key that unlocks the gross sales potential of your e-book is to find a single sentence that turns into your promoting handle. An efficient approach for figuring out a value is to send out a survey to your present customers. If these clients have already purchased an e book from you, ask for their opinion in terms of price. Do

this by making a gross sales web page for the new guide, however do not include a price on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with different prices on every page. Make sure your sales copy is precisely the same on every page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum value is.

In the end, in the event you've written a e-book that solves a problem or presents a new method, your book will herald both traffic and profits. So make sure you write that promoting-deal with sentence that sums up what drawback your e-book solves and what the benefits of your 1398 e book will likely be to the shoppers who purchase it.
