If these customers have already bought an book from you, ask for his or her opinion in terms of price. Do that by creating a sales web page for the new ebook, but do not include a price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with different prices on every page. Make sure your sales copy is precisely the same on each page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum value is.

In the end, if you've written a book that solves a drawback or presents a brand new method, your e-book will herald both site visitors and profits.
