Do this by creating a sales web page for the new book, however don't include a worth on that page. Instead, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Make sure that your gross sales copy is strictly the identical on every web page, and consists of your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum value is.

In the end, for those who've written a guide that solves a problem or presents a brand new approach,
