Do that by creating a gross sales web page for the brand new book, however don't include a price on that page. Instead, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Ensure your sales copy is exactly the similar on every page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum worth is.

In the end, in case you've written a e book that solves a problem or presents a new approach, your guide will usher in both traffic and profits.
