If these customers have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales web page for the brand new guide, but do not embody a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with totally different costs on each page. Make sure your sales copy is precisely the identical on each web page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum price is.

Ultimately, when you've written a ebook that solves a drawback or presents a brand new method, your guide will bring in both site visitors and profits.
