The important thing that unlocks the gross sales potential of your e-book is to find a single sentence that turns into your promoting handle. An efficient method for figuring out a value is to ship out a survey to your present customers. If these customers have already bought an book from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the brand new ebook, however don't embody a price on that page. Be certain your sales copy is exactly the same on each web page, and consists of your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum value is.
