Instead, add numerous links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with completely different prices on every page. Be certain your gross sales copy is strictly the

identical on each web page, and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum value is.

In the end, when you've written a ebook that solves a drawback or presents a brand new technique, your e-book will usher in both visitors and profits.
