As an alternative, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Ensure your gross sales copy is exactly the same on each

page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum worth is.
