Do that by making a gross sales page for the brand new ebook, but don't embrace a worth on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with totally different costs on each page. Make sure your gross sales copy is strictly the identical on every

page, and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum worth is.

Finally, in the event you've written a guide that solves a downside or presents a new technique, your e book will bring in both visitors and profits.
