An efficient technique for determining a price is to ship out a survey to your present customers. If these clients have already bought an ebook from you, ask for their opinion in terms of price. Do that by making a gross sales page for the brand new e-book, however do not embrace a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by making a variety of duplicate sales pages with different costs on every page. Be sure that your gross sales copy is strictly the same on each web page, and

contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may let you know what your optimum worth is.

In the end, when you've written a book that solves a drawback or presents a brand new method, your ebook will bring in each site visitors and profits. So make sure you write that selling-handle sentence that sums up what downside your ebook solves and what the advantages of your 2329 e-book will be to the shoppers who purchase it.
