An efficient approach for figuring out a worth is to send out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion when it comes to price. Do that by making a sales web page for the new book, but don't include a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by making a variety of duplicate gross sales pages with different costs on each page. Ensure that your sales copy is exactly the same on every page, and consists of your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum value is.
