Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with different prices on every page. Make sure your sales copy is precisely the same on each page, and

consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum value is.
