As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with totally different prices on each page. Make sure that your sales copy is exactly the same on each

page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum value is.

Finally, if you happen to've written a book that solves a problem or presents a brand new approach, your e-book will herald both site visitors and profits.
