Do that by making a gross sales page for the new guide, but do not embody a price on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with completely different costs on every page. Make sure that your gross sales copy is exactly the identical on every page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum value is.

In the end, when you've written a e book that solves a downside or presents a new method, your e-book will bring in each traffic and profits.
