comes to price. Do this by making a gross sales page for the brand new e-book, but don't include a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with completely different costs on every page. Make sure that your sales copy is strictly the identical on each page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum value is.
