One is to present something away at no cost with your e-book, akin to a priceless bonus item. Or bundle a number of ebooks underneath one value, which lowers the value for every ebook in the event that they had been offered separately.

An efficient method for determining a worth is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by creating a gross sales web page for the brand new guide, but do not embrace a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Make sure that your gross sales copy is exactly the same on each page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum value is.

Ultimately, should you've written a e-book that solves a downside or presents a new approach, your guide will usher in both visitors and profits. So make sure you write that selling-handle sentence that sums up what problem your ebook solves and what the benefits of your 2610 ebook will probably be to the customers who buy it. And then watch your market come to you!
