promotional material, and every time anyone asks you about your ebook.

An effective technique for figuring out a worth is to send out a survey to your present customers. If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the brand new e-book, however don't include a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out prices by making a variety of duplicate sales pages with different costs on every page. Ensure that your sales copy is exactly the similar on each page, and includes your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum value is.
