Another technique is to check out prices by making a variety of duplicate gross sales pages with totally different costs on each page. Ensure that your gross sales copy is precisely the similar on

each page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum value is.

Ultimately, in case you've written a e book that solves a downside or presents a brand new method, your book will usher in both site visitors and profits.
