As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with different prices on each page. Be certain that your gross sales copy is exactly the identical on each web

page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum price is.

Ultimately, for those who've written a ebook that solves a problem or presents a brand new technique, your e book will usher in each visitors and profits.
