sales and promotional materials, and each time anybody asks you about your ebook.

Do that by making a gross sales page for the new e book, but do not embody a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with totally different costs on each page. Be certain that your gross sales copy is exactly the similar on each web page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum price is.

Finally, in the event you've written a e book that solves a problem or presents a brand new technique, your guide will usher in both traffic and profits. So you should definitely write that promoting-deal with sentence that sums up what problem your book solves and what the benefits of your 320 ebook will probably be to the customers who purchase it.
