Another technique is to check out prices by making a variety of duplicate sales pages with completely different costs on every page. Ensure your gross sales copy is precisely the identical on

each page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum value is.

Finally, if you've written a e book that solves a drawback or presents a brand new technique, your e-book will bring in both traffic and profits.
