Do that by making a gross sales web page for the brand new book, however don't include a worth on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with different costs on each page. Be sure that your sales copy is strictly the identical on every page,

and contains your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum price is.

Ultimately, should you've written a ebook that solves a problem or presents a brand new approach, your guide will herald both site visitors and profits.
