If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the brand new guide, however don't embrace a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with completely different prices on each page. Be sure your sales copy is strictly the similar on each web page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum value is.

Finally, if you happen to've written a ebook that solves a downside or presents a new approach, your book will usher in both site visitors and profits.
