As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with totally different prices on each page. Ensure your gross sales copy is precisely the same on each web page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This can let you know what your optimum price is.

Ultimately, when you've written a book that solves a drawback or presents a new technique, your book will usher in both traffic and profits.
