An efficient approach for figuring out a worth is to send out a survey to your current customers. If these clients have already bought an book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the new book, however don't embrace a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with totally different prices on each page. Be sure your gross sales copy is strictly the same on every web page,

and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum value is.

Finally, if you happen to've written a book that solves a downside or presents a brand new technique, your e book will usher in both traffic and profits.
