Needless to say the above pricing technique is temporary. Ultimately, you will cease to sell books at this excessive price. So figure out upfront how long you plan to supply your ebook at this excessive value, and when that point is up, change your pricing strategy.

If you want to see massive profits over customer draw, aim for an viewers that is looking for easy solutions to their problems at a low price. In case your e-book is aimed toward solving one explicit problem relatively than common recommendation, then you can charge more. Start at the highest worth the market will bear to bring in the largest earnings, and plan to low cost the ebook a number of instances throughout the year.
