One other technique is to check out prices by making a variety of duplicate gross sales pages with different costs on every page. Be sure that your sales copy is exactly the identical on every page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum worth is.

Finally, when you've written a ebook that solves a downside or presents a brand new approach, your e book will bring in each site visitors and profits.
