An effective approach for determining a worth is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion by way of price. Do this by creating a gross sales page for the new e book, however don't include a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with different costs on every page. Make sure your gross sales copy is precisely the similar on every

page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum value is.

Ultimately, in case you've written a book that solves a downside or presents a new approach, your guide will bring in both traffic and profits. So be sure to write that promoting-handle sentence that sums up what problem your e-book solves and what the benefits of your 857 book might be to the purchasers who buy it.
