Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with completely different costs on each page. Make sure your sales copy is precisely the identical on

every web page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum worth is.
