Do this by creating a gross sales page for the new book, however don't include a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate sales pages with different costs on every page. Make sure your sales copy is exactly the identical on every page, and consists

of your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum price is.
